Dear Neighbor:

Thank you for your interest in tonight's meeting. Unfortunately, due to limited space, priority seating for tonight's event has been reserved for the principal owners of the 411 parcels of property located within a defined impact zone.

Those property owners within the program boundary will be seated on a first-come, first-served basis. If there is additional seating available, others will be seated on a first-come, first-served basis until we reach capacity.

The Port of Houston Authority has a dedicated Web site:

www.bayportmitigationsolution.com

Once this Web site goes "live" at 7:30 tonight, it will serve as a place where all of the materials disseminated during the meeting and program updates can be accessed by the public.

The Web site will also feature a video with Port of Houston Authority Chief Executive Officer Alec Dreyer's presentation for viewing. The video will be posted by 5 p.m. Friday, March 12.

We thank you for your patience and understanding, and we encourage your continuous input on matters concerning Bayport. As you may be aware, we have dedicated a 24/7 community hotline at 713-670-1000 to help facilitate that input.

Respectfully,

The Port of Houston Authority
